

Mentoring Program

2020

A man and a woman are sitting at a desk in an office, smiling and looking at a document held by the woman. The man is wearing a white shirt with thin vertical stripes, and the woman is wearing a white sleeveless top. They appear to be in a professional meeting or collaborative work environment. The background shows a wooden cabinet and a dark wall.

About Us

About Us

ACHIEVING EXCEPTIONAL OUTCOMES

Fetching Events & Communications is a boutique agency specialising in project management, event management, communications and volunteer management.

With over twenty years experience in the events and communications industry including major international events, the private sector, government and not-for-profit, Fetching Events and Communication's founder Georgie Stayches and her team are committed to making a difference in the community, whether that is education, sporting, peak bodies, associations or community services.

We are committed to working with community minded organisations that we believe in and are passionate about and that integrate with our brand values of **Excellence**, **Success**, **Compassion** and **Spirit**.

Combining our international event experience in media with our communications knowledge and skills, Fetching Events & Communications provides a fully integrated events, volunteer management and communications service.

Why Us?

ENGAGEMENT THAT CREATES ENDURING RELATIONSHIPS

We utilise our extensive experience in events, communications, volunteer management and board management to guide and support you through this mentoring program.

With a combined 100 years experience in management and leadership roles, with a focus on the NFP, NGO, health, education, associations and community sector, we know firsthand the challenges people face and also the success they can achieve with the right coaching.

We do not employ a 'one size fits all' motto for our projects but rather individually plan and deliver each program based on your needs.

We are renowned for our attention to detail and personalised project management. Our boutique agency ensures your program is top priority and receives the necessary attention and commitment. Our continual client referrals and repeat business are a clear indicator of the high level of satisfaction of our clients.

We will put your mind at ease by guiding and supporting you as well as, importantly, upskilling.

What They Say About Us

“I have known Georgie from Fetching Events for a number of years. She has always been very willing to share her experience and knowledge with the rising stars in the event industry. As an educator, I am always delighted to welcome Georgie to talk to our students from Swinburne University of Technology Diploma of Event Management. She is engaging, professional and honest. Her delivery mode is approachable and positive.”

How We Can Help

ACHIEVING EXCEPTIONAL OUTCOMES

In a time when we are all facing great change, guidance and support has never been so important.

No-one has to do this on their own. We are here to help.

Designed and tailored specifically for your needs, our Mentoring Program provides one on one or group mentoring and coaching in the areas of **event management, volunteer engagement, communications, community programs** and **board management**.

You can decide how you want to use the program whether it is for a specific project or campaign or general professional development.

From motivation to planning to practical guidance, our goal is to ensure you achieve long-term success and sustainability.

This intimate approach will recognise and address all key areas leading not only to a more productive workplace but also to a happier, healthier working environment.

We are passionate about **working with the community, for the community**.
